

Yes! I want to become a member of House Rabbit Society!

House Rabbit Society is the only international rabbit rescue and education organization in the world. We have 31 chapters in 22 states plus Canada and Italy, and educators and fosters in an additional 10 states plus Canada, Hong Kong, Singapore, Japan, and Australia. We also run a one-of-a-kind Adoption and Education Center in Richmond, California.

The vast majority of your donations go directly to our programs: rescue and education. In addition, we offer both chapter grants to help support the activities of our chapters, and Emergency Rescue Grants, which help other organizations with large rabbit rescues. As a member of House Rabbit Society, you will receive our publication, The House Rabbit Journal.
